indicated their internships
were helpful in preparing for
subsequent employment

84%
of internships
experiences were paid

"I'm excited about the opportunity to build upon my field sales internship with Fedex. I had an amazing experience as a field sales intern in the Chicago region over the summer of 2017, so I couldn't be more excited to have signed on full time as a Field Sales Professional in the same region."

— AARON LAUTH, Fedex

Data Source: 2017 annual outcomes survey administered via email to new graduates

Participants: Response/Knowledge Rate 65% (440 respondees out of 682 seniors)
