

## Panhellenic Council Meeting Minutes 5/9

Virtual

Length: 9:15-9:35pm

### **Eboard Reports**

President- Gabbie Urbano

- Happy last meeting of Spring 2022!
- No meeting next week on May 16th.
- I hope finals go great for everyone!
- I really couldn't have asked for a better group of people to make up this council this semester. Thank you all.
- Had to postpone the idea to bring snacks to meetings because of COVID stuff.
  - Something we can possibly implement next semester!
- I hope everyone has a great rest of their semester, and if you are a senior, good luck with the next chapter in life!
- I looked over some of the delegate's responses to the google feedback form, and I really want Eboard and I to reflect on them!
- More details on DEI in the fall. We still have to sort out some logistics before announcing anything.
- We might send out a google form for people to give ideas about how we can implement change. Some people might not want to say some things out loud in our actual meetings, so this will be another form of communication so people are more comfortable!
  - We really appreciate all of your feedback!
- Recharge over the summer and then get ready for fall recruitment when we come back in September.
- Remember to take a lot of pics for Greek Week!
- Have a great week, and see you in the fall!
