MASTER OF MUSIC (M.M.) IN MUSIC THEATRE VOCAL PEDAGOGY
Welcome to the Master of Music in Music Theatre Vocal Pedagogy

Carthage College's 10-month Master of Music degree is one of the few programs that focus specifically on music theatre vocal pedagogy, covering styles from "legit" to contemporary pop/rock. Students will develop pedagogical strategies in academic courses while implementing them in performance, mentored praxis, and supervised teaching experiences. Students will participate in weekly seminar meetings to share their ongoing development as music theatre pedagogues.

Our program is:

- **Accredited** by the National Association of Schools of Music.
- **Flexible.** There are options for full- or part-time study.
- **Accelerated.** Be a member of our intensive cohort.
- **Practical.** Applied teaching experience will develop your skills and your resumé.
- **Interdisciplinary.** Just like the field of music theatre, the M.M. program at Carthage creates connections between the study of the voice and related art forms, maximizing your professional opportunities.

RESEARCH AND CREATIVITY

Carthage embraces research and creativity through our annual Celebration of Scholars, grants, student travel awards, and the Summer Undergraduate Research Experience. With faculty mentors, students in the M.M. program develop unique lines of research that can be shared on campus, as well as at national and international conferences.

VOICE LAB AND EDUCATIONAL RESOURCES

Covering 65,000 square feet, the Hedberg Library houses a vast collection of print, electronic, and multimedia information resources. Built in 2002, the library offers a variety of professional journals and other materials devoted to vocal pedagogy.
