StaySafeCarthage Guidelines

Keeping Our Community Healthy:

A SHARED RESPONSIBILITY

As we move forward in this new era, all Carthage community members — students, faculty, and staff — and campus visitors are expected to take steps to reduce risk for everyone.

**Wear a face mask when around others**
Face coverings are required in all common areas, during classes and meetings, and when physical distancing of at least 6 feet is not possible.

**Follow physical distancing guidelines**
Follow physical distancing guidelines whenever possible. Keep 6 feet distance as you pass others in hallways and when selecting your seat in a meeting or class.

**Self-monitor for COVID-19 symptoms**
All students and employees should self-monitor for symptoms daily.

**Practice good hygiene**
Wash your hands frequently, and for at least 20 seconds, with soap and water. Use hand sanitizer. Avoid touching your face or mask.

**Keep gatherings small and safe**
Limit gatherings and meetings to fewer than 10 people, and make sure all attendees wear face coverings.

**Contribute to a clean campus**
Do your part to keep your classroom, residence hall room, office, and workspace free of the virus. Sanitize shared equipment before and after use.
