Announcement of Opportunity 2018-2019

ELIJAH BALLOON FELLOWSHIP PROGRAM

APPLICATIONS OPEN:
Dec. 7, 2018

SUBMISSION DEADLINE:
Feb. 12, 2019

AWARD ANNOUNCEMENTS:
Mar. 22, 2019

PURPOSE:

The Elijah Balloon Fellowship program provides students the opportunity to fly science experiments of their own design in the near-space environment. Student teams will design and build science payloads to be launched and retrieved from a high-altitude balloon that will ascend to 100,000 feet or more.

RESEARCH TEAM

Work Period: May 1 - Sept. 15, 2019

Awards: *\$4,000 - Student Research Fellowship (maximum 5 students)

*\$5,000 - Student Research Fellowship Team Lead (one returning student)

**Based on availability*

Accommodations provided for awardees at the Milwaukee School of Engineering dormitories through WSGC funding.
