2013-14 Private Scholarship Notification

Carthage

We encourage students to apply for as many private scholarships as possible. Whenever the Office of Student Financial Planning (OSFP) is informed of a scholarship we send information about that scholarship out to the students through the Carthage email. In addition, we keep a scholarship book at the front desk in our office that can be reviewed at any time. Lists of private scholarship websites are available on the Financial Aid web site as well as at our front desk. We encourage students also to investigate the scholarships available through the different departments or courses offered at Carthage.

Should the student be awarded a private scholarship, Carthage requires the student to provide a copy of the private scholarship documentation to the Office of Student Financial Planning annually. Once we have received the Private Scholarship Notification Form and a copy of the scholarship notification letter, we will add the scholarship amount to the student's financial aid award. The student is responsible for making sure any and all requirements of the scholarship donor are met and that these funds are disbursed to Carthage College.

If you have received notification that you will be receiving a Private Scholarship, please complete the below information and return to the above address. **YOU MUST ATTACH** a copy of the documentation received from the donor for each of the scholarships awarded. **Without this documentation, we cannot add this scholarship to your financial aid award.** If you have any questions, don't hesitate to contact the OSFP at 262-551-6001.
